

We will have a "Quilt and Tell" Monday evening during the introduction program. We would love to see your quilt that was **started at a previous QRM retreat**, finished or almost finished, as long as it has not been shown at a previous retreat. It can be a quilt that was made in a class or in your SOYO room.

You may want to fill out this form before you arrive at the retreat. Drop it off when you register and be sure to bring your quilt to the program.

(One item per person please.)
