What a great night Thursday night was for Munford football. Your Munford Lions played an excellent game, defeating the 4A Region 6 Champions, the Saks Wildcats, 27-7. As we have grown accustomed to this year, our defense was solid and stopped almost every potential scoring drive Saks had. Offensively, we kept their defense off balance and were able to effectively move the football both on the ground, and when we needed it, in the air. Being Senior Night, it was an excellent way for us to send our seniors out on a winning note. I am extremely proud of the 31 young men who took the field Thursday and once again fought hard for 48 minutes.

This night, however, brought our 2007 football season to an end. It has been a good year with us finishing the season with six wins and four losses. We were in most every game right up until the end, and I know you have been proud of the Lions' efforts. I want to thank, one last time, our band and cheerleaders for their performances this season. I would also like to thank my staff—Kevin

for all of your support throughout this season and I am looking forward to your continued support next year. Thanks to everyone who worked so hard to make this year such a success. Most of all, I would like to thank and congratulate the players for making my first year as a head coach one I'll never forget. Finally, to all of you seniors—Chase Lackey, Matt Gable, Tajee Stanford, Jacorey Garrett, Hunter Gravette, T.J. Gallahair, Chris Cunningham, Tyler Roden, Tyler Smith, Eric Roden, Wes Johnson, Will Brashier and Hamilton Frazier—thanks for a job well done. You finished well and did something powerful. GO LIONS!

Final Football Xtra of the season!

Thanks to all of our sponsors and readers for making the Xtra so successful on its second-year run. A special thanks to the coaches and players for allowing us to invade the games and field houses to bring the fans some of the behind the scenes look at what it takes to be a Mighty Munford Lion.

The Munford Weekly

O'Rear, Noel Stephens, Scott Bowman, team Chaplain Craig Young and Jake Hubbard for all of their hard work and dedication. Once again, I thank you fans
